Submits Copy of Havan Deputy Commissioner's letter No. 413/R dated 17/19th March 1911 and the report of the 2nd Cattle Show held at Havan on the 1st and 2nd January 1911 received therewith.

Enclosure 29 of 20

Letter No. 419/R dated 17/19th March 1911, from the Deputy Commissioner, Hassan District, to the Revenue Commissioner in Mysore.

I have the honor to state that the second cattle show was held at Hassan on the 2nd and 3rd of January 1911, and the show was even a greater success than that of the previous year owing to the fact that the owners of cattle in and out of the District were given longer notice of the holding of the show at Hassan on this occasion.

2. The business of the show was entirely managed by a Committee consisting both official and non-official gentlemen. Mr. Syed Amir Hassan retired senior Assistant Commissioner and Mr. S.N.Appanna Iyengar B.A.,B.L., Acting Assistant Commissioner again undertook the respective duties of Vice President and Honorary Secretary of the Cattle Show Committee, and the success of the show ~~was~~ is mainly due to their untiring efforts, and much credit is also due to the members of the Committee who cheerfully cooperated with them.

3. The Vice President of the Committee has furnished an interesting and detailed report, copy of which together with a copy of the opening speech delivered by Mr. R.A.Anderson and its Kanarese translation is herewith submitted. A packet containing eleven photographs of prize cattle (as per list attached) together with a group photograph of the Committee is also sent separately for inspection, and favour of return when done with, for record in this office.

4. The District Board of Hassan paid a contribution of Rs. 100/- towards the expense of the show. The report and the photographs were placed before the Board at the meeting held on the 20th February 1911, and a copy of their resolution is also enclosed for information.

1911.

Ladies and Gentlemen:-

It gives me great pleasure to be here and to feel that our Vice-President with his Committee Officers have elected me to open this our 2nd. Cattle Show at Hassan. I had the same honour conferred on me last year. The Show of 1910 proved a great success. The display of cattle of all breeds amounted to a large number, and the sales realized a good amount. I hope that this Show which I open to-day, will be attended with even better success. To have an Annual Show like this at Head Quarters, is a great boon to a District, the ryots are able to supply their wants with ease, and escape the many dangers of having to leave their homes for a long period when so much sickness is about of late.

The great thing in all Shows like this, is to bring one's animals up in a prime condition. Our King is a great displayer of prime cattle, and has already carried off some of the highest prizes this year at Islington, which is supposed to be the leading Show in London.

The farmer's duty is to look after his cattle. Without a good supply of animals up to the mark for hard work, such as ploughing and carting, the ryots work falls off and land is left untilled. What we require in India is unity in all our actions. Each member of a village community should do his best for his neighbour, grow the kind of fodder which is known to be good for cattle, and be careful with his cattle when ailing. Government have introduced all over the Province a Veterinary Establishment. Let us make use of this boon. It is better to take the advice of a skilled man than to carry out some old ideas.

I have one more word to say, this is, let us all try, as each year comes round, to improve our Show. By doing this we will be able to show our Maharaja that although a large

large Exhibition is annually held at the Capital (Mysore). we, in our small way, are doing our best to improve our cattle. Again I would recommend the starting of an experi-ment in breeding Ponies and Donkeys in this our Hassan District, as the climate is well adapted for it, and I am sure that they would be a great help for cross-country traffic.

I wish this Show every success, and thank the Vice-President and Committee for again conferring this honour on me.

Dated Hassan 2nd.January 1911.

Signed /- R.A.Anderson.
